Swap shop

My boyfriend Tom and I invited a friend Ben around for an evening of sex, not that Ben was aware of that fact.

We met in the pub and after a few drinks Tom sent us home ahead with the excuse of having to catch up with a mate.

At home I soon had Ben flirting and chatting about

sex. I left him with an album of horny photographs Tom had taken and went upstairs to change.

When I returned Tom was home and both men were talking about sex. Tom grabbed me and slowly undressed me down to just

my stockings and suspenders.

Tom then sat and watched me going down on Ben's cock. It was not long before he pulled me off and pinned me down.

Then I felt my legs being pushed wide apart by Ben. I felt his fingers and tongue deep inside my wet pussy until I came on his tongue.

Next Ben lay there with his cock in his hand and watched while Tom fucked me hard until he flooded my cunt with spunk.

I then had both men stand in front of me and I kneeled down. With a cock in each hand I sucked them both hard again.

Finally Ben fucked my arse hard from behind and flooded it with his salty man seed just as I came for the last time. What a night!

Toeing the line

I've supported an amateur-league footie team since I was young and, one Saturday, I went to see a match and had a few drinks in the clubhouse later. I was chatting away to one of the players – Keith, an old mate from way back – when one of their new recruits, Steve, came up and asked to be introduced.

I think Keith thought it was funny – I was just his friend. One of the lads. But this new guy flirting with me made him see me in a different light.

I got the feeling they were both after my attention and, when I said I was heading off, they both decided to walk me to the bus-stop. We took a shortcut by the pitch, talking about how shite the team was doing right now. There was some joke about making a sacrificial offering – so I made some comment about fucking on the turf for luck.

Steve said, "OK, if you're asking." Keith called first go, as he was captain.

"So you both think you're on a promise?" I said, and ran off into the middle of the pitch. They chased me about a bit, then Steve grabbed me and started to snog me.

Keith said I had to get naked – the "magic" wouldn't work otherwise. I said I'd freeze my tits off but Steve said not without two horny blokes to warm me up.

We started out in one of the goals, stripped off and me splayed out. The field was a bit out of the way, but people did use it for shortcuts. The idea that anyone could walk – or stagger – past was an added thrill.

They were both soon rock hard, and so I went

his own dick and not really pacing himself. I heard him moan that he was cumming and told him not to let it go to waste. I opened my mouth but he wasn't even quick enough for that – he spurted his load all over my face.

When Keith pulled out I rolled over and rubbed the spunk off my face onto the turf. Next I went running off to the opposite goal. In all the years I'd come to this

yet, so was happy to let Steve take the back end. Steve kept rubbing his cock against my crack, I thought he was going to have a go up my arse. But then he whammed it in my cunt and started fucking me. It took all my strength to brace myself

for Keith first – well, we did go back a long way!

There was something about lying on the earth, seeing my breath mist as I gasped when Keith's cock ploughed into my snatch. Then I felt the soft, cool grass underneath my back and arse as his crotch ground me into it.

Steve was getting a bit overexcited – he was wanking

against Keith's knees, so I was steady enough to suck his dick.

Fucking Keith, my old mate, was weird enough, let alone the situation, and so all I could do was open my mouth and take it, letting the salty taste of him spread all over my tongue. I sucked him fairly mercilessly, feeling the cold now, although my arse was

glowing from Steve spanking my cheeks as he rear-ended me. Steve came first, but he managed to pull out and spurt all over my bum, which also set Keith off cumming down my throat.

I'd love to say our little shag-ritual changed the fortunes of the team, but no such luck!

pitch I'd always wanted to streak, and now I'd done it!

We fucked in the opposite goal mouth. Steve was in his early twenties so getting him stiff again wasn't exactly hard work. I told him to lie on his back and then I rode him, thinking I could get him back in control if he got carried away.

He was a wiry little bugger and stronger than he looked. When he started bucking, hammering his prick into my cunt as he mashed my tits together, I just had to hang on tight until he started cumming again. I pushed down on him, so he was nuts-deep inside me, shoving my boobs in his face as he shot his wad.

Keith was hard again and hadn't been sucked

WE DO WEDDINGS, BIRTHDAYS, BAR MITZVAHS.

THE EASTER EGG HUNT HAD BEEN ONE OF THE EASIEST IN LIVING MEMORY.

HER FIRST DAY AT GREGG'S DIDN'T GO TOO WELL.

Dear Julia

Lexie (vol 34 no 4) said she wanted all three holes filled at once. Well, there's only one of me, but I'd like to put my services at her disposal! In fact, why doesn't she just let me fuck her while we're waiting for the other two to turn up. Or I'm sure I could use a couple of dildos and fulfil her fantasies that way. She'd certainly be fulfilling mine!
Ian, Stoke.

Dear Julia

Stella is a great little find isn't she. Beautiful pear-like bum that looks even better drizzled in milk! And great knockers, really first rate. She really is the cream of the crop and I hope to see more of her very soon.
Kevin, Boston.

Julia says: Sooner than you expected, we think, if you turn to p. 11! We hope her pics left your pricks semi-skinned after all that wanking!

Dear Julia

Please please please can we have more of Roxy (vol 34 no 4). She is absolute sex perfection. The shot of her from the rear standing with pussy cheeks and luscious lips dangling in silhouette between her gorgeous bum made my balls fucking explode uncontrollably!
Alex, Milton Keynes.

Julia says: Roxy is hoping her husband sees the pictures in the mag and they have exactly the same effect on him!

SEX WITH ALL THE STRINGS

'Smart phone' is another way of saying 'mobile porn device', reckons sex writer Daisy Blade

I've just joined the 21st century by getting a touch-screen phone. One thing I've learnt is how excellent it is for watching sneaky porn.

Alright, so I may be slow to the game, (bet you've been wanking off in front of your iPhone for years already) but I was more than happy getting my porn on my desktop: sat in my office chair, big screen and both hands free. This was my preferred way, until I saw Mr B all cosy in bed with his hard-on in one hand and holding red-hot clips of Lucia Love getting well and truly fucked in the other. Bed is a much better place for watching porn, and apparently for hanging out washing.

Turns out I can stream all my favourites: Porn Hub, You Porn, Literotica. I get unlimited data for the first three months, so I've been going porn crazy. I'm sure that's not what the phone company intended, but hey, give a nympho free internet access and what do you expect her to do with it?

Use it during sex of course (cue gasps of horror). No, not to check Facebook, as some news reports say young couples do mid-coitus, but to watch porn. Good hardcore is there with the swipe of a finger, so we've been indulging and sharing our favourite clips while sharing each other.

Unlike Mr B, I realised my phone pleasure didn't have to be confined to the house. While sitting on a London bus in rush hour traffic, bored out of my brains and sex starved after a day of meetings, it dawned on me: I'm walking around with a fucking sex cinema in my pocket and the potential to rub one out in any convenient location! Hang on a minute. Could I? Should I?

A shifty look around the bus and the empty seat next to me suggested I could get away with reading some porn. Film clips would be too obvious: easier to see, even on small screens.

Loading up an erotic story I

began my sneaky porn reading in public. My thinking was that it wouldn't do any harm to warm myself up before getting back to Mr B for some evening play time. I picked a seriously steamy story about a husband training up his wife to be his stay-at-home sex slave (see last month's *Escort* as to why this story line strikes a particular chord).

Within two minutes I felt the first twinge in my pussy. I read on, as this fictional husband offered his wife to his friends for their pleasure. My pussy throbbed. Shifting in my seat, I knew I was wet. My clit needed urgent attention, but I was still five stops away from my own.

Putting my mobile porn device away would have been a sensible option, but I was too far gone and knew that I'd have to get off, in both senses of the phrase.

Luckily there was a park by the next stop and with the weather being drizzly and crap it was deserted. Hopping off the bus, I headed to a bench concealed from

view. It's a favourite al fresco fuck location for myself and Mr B. Oh yes, despite it being London, there are secluded spots for sexy pit stops.

Taking my phone out and loosening

my jeans I let my hand roam over my clit and gently rub my pussy. I was already so wet that my fingers slipped into my cunt with ease.

"He forced her to take the whole of his cock, fucking the back of her throat while her husband worked her snatch..." I read, "not knowing who was on the other side of the curtain and who would enter her next..." Oh fuck! I felt myself shudder with the climax I so needed.

Reality hit as I realised how far I needed to walk home and it was still raining. By the time I got back I was soaked through. "Get a little wet out there did you?" Oh yes Mr B. Indeed I did.

You don't expect to find a genuine British porn legend in the making on a park bench (unless it's *Escort* editor Julia Jones after a heavy night) so imagine our surprise, when, just about to toss the barely clothed vagrant a pound coin, we ended up tossing off ourselves instead! A TITILLATING TOUR AROUND BLIGHTY.

THIS MONTH ESCORT VISITS...

LEICESTER!

There's more to Leicester than crisps, Melton Mowbray pork pies and red cheese. This East Midlands city is good at serving up sex as well. "Leicester is an ideal location for sex as it's only a short drive from the M1 motorway," reveals Tiffany Snow, Leicester escort (pictured above) and our guide to the city's lascivious side. Many businessmen stop here for a 'rest break', but the city rarely raises suspicions with wives!"

SEXY SHOPPING

There was a time when the only adult shops Leicester offered was an Ann Summers and that dodgy-looking sex shop up by the train station. Yawn.

Thankfully, there's more to boast about these days. Visit Simply Pleasure on Narborough Road, or if you're looking for a stunning outfit for your next sex party then head to Erosella on Sanvey Gate, which specialises in club wear and footwear that won't fail to turn heads (Erosellashop.com).

The newest adult emporium

"GUYS LOVE TO FEEL ME CUM ON THEIR COCKS WHILE I VIBE MY CLIT"

to open its doors is Secret Boudoir: a luxurious lingerie and high-end sex toy shop located in the recently refurbished Silver Arcade. "The lady who owns Secret Boudoir really understands what is sexy," says Tiffany who mostly looks for outfits, but is open to playing with big toys. "My most recent vibrator was a gift from a client. He bought me a Lelo Wand. It feels great on my clit and guys love to feel me

cum on their cocks when I use it."

Alternatively, try The, er, Alternative and Burlesque Fair at The Fan Club. The next one is on June 21st. Perfect for stocking up on everything from fetish wear to burlesque feathers.

WHERE TO PLAY

Leicester's best known swingers club is Liberty Elite, which has recently undergone a £500,000 refurbishment (LibertyElite.co.uk). Designed for couples, it's got a sexy and sophisticated feel and has been rated the best swingers club in the UK. There's plenty to play with and explore, including a spa and massage area, large beds to share with new friends and a dance floor.

As a member, Tiffany has enjoyed many a playful night there: "I and was into swinging long before I became an escort. I remember taking a friend, Lisa, and we ended up playing in a private room with several couples. Lisa was put in a sex swing and the rest of us watched her getting fucked senseless by an 11-inch cock. Swinging her back and forth on to his dick, the guy didn't even have to move. His wife was at the other end of the swing kissing Lisa, while I was

playing with her huge boobs."

To join in their party and fetish nights, you must become a member, which costs £20 for a one-off visit, or £50 a year for couples. For overnight trips it's possible to ring the club in advance to book their on-site, hotel-standard accommodation.

If you prefer smaller gatherings then you may enjoy Tiffany's Bukkake Parties, held once a month with fellow escort Lola-Lily. "Lola is very gifted at deep throat. I can honestly say I've never seen someone give head with so much enthusiasm!" says Tiffany. "Usually about 8-10 guys come to play with us. It costs £80 for oral and a lesbian show and bookings should be made on the day."

OUT & ABOUT

The Leicestershire countryside lends itself to attractive al fresco sex locations. "The woods around Bradgate Park are often ignored by walkers. It's possible to pull up in the parking areas and have some naughty outdoor fun," reveals Tiffany. Adult film series On A Dogging Mission has also visited several rural locations, allowing frisky locals to have their way with professional porn stars. Or book the Porn Weekender experience, where you get to watch, direct and even star in an adult flick.

REAL WIFE SEX

Chrissie Somerset

Wife Chrissie promises to have and to hold – other men's cocks that is! And her husband doesn't mind at all

Jeremiah and I got married in our early twenties but we certainly haven't 'forsaken all others'. And although I take my vows about sickness and health, for richer, for poorer and all that very seriously, we haven't been able to forego the buzz that comes with shagging other people.

We've been swinging for a bit and recently tried what we call 'extreme wife swapping'.

Jeremiah got in contact with a like-minded bloke online then packed me off to him for a dirty weekend, while the wife came to ours for fun with Jeremiah. We took measures to make sure it was all safe, but we wives wouldn't meet our new fuck-partners, or know anything about them other than their first name, till we turned up at their door with a suitcase full of lingerie!

I've never felt so nervous – my hand was shaking so much I almost couldn't ring the doorbell! But when Grant opened the door, lust took over! He was gorgeous, 27, over 6ft tall, and I could see he had a great body, even fully dressed. He seemed to like what he saw too!

We didn't waste much time on small talk, although Grant was obviously leaving it to me to make the first move when I felt ready. I carried my drink over to his chair, downed it in one, then perched on his knee.

He gave me the best first kiss I'd had in ages, gentle at first before his tongue explored my mouth, and I copped a first feel of his buff arms and chest, then felt my way down over his six-pack. Our eyes met just before my hand touched

I got to watch every inch of his prick pushing into my hole

his crotch, and he gave me a dirty grin then unbuttoned my blouse so he could nuzzle my tits in my bra. I stalled, enjoying it, then rubbed his cock – already rigid – through his denims.

That's when the lust really hit us. I got

my hand inside his jeans and wanked him for a couple of tugs, then realised I wanted him naked. I pulled away from him then tore my blouse the rest of the way open, tits bouncing as I yanked off my bra.

Grant took the hint and stripped off, but stopped me when I went to take my knickers off. He licked me through them, then peeled them down off my moist folds, leaving me in my stockings, sussies and stillies!

He gave my pussy an exploratory lick, then went back to sucking my tits, smearing juices on the nipples before taking them in his mouth. But his fingers were working away in my pussy, probing

EXTREME

in and out until I was humping back so hard against them, he hardly needed to move his hand.

His cock was sticking up at an angle from his pubes, bobbing slightly, and every time I glanced at it I imagined how it would feel inside my cunt. And as my pussy snapped tight round his fingers, he was feeling the same thing.

He sat me on the sofa, with my arse right on the edge, so he could kneel between my thighs and fuck me. I was so pleased I'd had my bush completely waxed, as I got to watch every inch of Grant's beautiful, dark-skinned prick pushing slowly into my hole. Then he had my legs up on his shoulders, fucking me deep and vigorously.

CHLOE & SATINE

**BANG
BABES!**

Nice set of lungs, girls! Blowing up balloons for a party ends with Chloe and Satine's clothes popping off and a good banging session. Not to mention some rapid inflation in our trouser region. Maybe all that blowing put them in mind of fellatio. One thing's for sure though – you'll need plenty of puff to keep up with these two Duracell sex bunnies! "These balloons are liable to pop as soon as you sit on them!" says Chloe. "Just like most men I know!" grins Satine.

DANI

What better for Easter and the arrival of Spring than a sap-raising set of dirty Dani Maye with another chick. Well, budgets aren't what they are, and with Satine and Chloe blowing this month's profits (as well as some balloons, see p. 21) we had to economise. "I don't mind having my pictures taken on my own. It means I can concentrate on the reader getting a good look at my hot, wet pussy! How's that, boys?"

did the shaving bit myself.

I didn't blame him for being horny – I seriously was. I propped a mirror between my legs and saw how tight my cunt looked, and how my clit, normally hidden by my bush or tucked in between my labia, started to poke out as I got hotter.

I rinsed, dried off and laid back on the bed, ready for Ant to do whatever he wanted with me. He was still wanking but I didn't want him wasting his spunk when he could be fucking me. I rubbed

Twat thatch

I bought my man, Ant, a leather wallet as an early Christmas present – and agreed to pose for a naked picture to go inside it! After the summer I usually let my bush grow a bit wild, which

daydreams, asking him if he wanted to help me shave my twat, or would I have to do it myself?

I suppose he helped me so far, soaping up my cunt then razoring off the hair as I pulled my skin tight. But the sight of my pussy gaping open soon wrecked his concentration, so I just let him wank as I

WITH NO
PUBES TO
MOP IT UP IT
SOON GOT
VERY WET
DOWN THERE

JENNY, W, MIDS

Ant quite likes, and I had a right thatch down there as I spread for his camera. "Maybe I should have a lock of hair too," he said, and he didn't mean from my head! I let him snip some for himself – stupid idea!

He took a massive tuft right from the top of my slit, leaving me with a bald patch right in the middle of my minge. I knew the only thing I could do was shave off the whole bloody lot.

Ant loves to go down on me, and now he had the lock of my pubes held up to his nose, so he could sniff my scent. But I soon jolted him out of his

my fingers over my snatch – it felt so soft – then beckoned him to get his mouth on it and start licking.

He ate it like it was a juicy pink fruit, slobbering all over it and sucking down my cream – though with no pubes to mop it all up it soon got very wet down there, especially when his tongue and fingers got me cumming. He reckons I squirted – I'm not convinced,

but he got a mouthful of juices whatever!

That was just a teaser, though – his dick was straining for attention. So I settled back, fingering my pussy wide open just to wind him up even more.

It was like slow motion, watching him inch inside me, his prick so swollen up and purple against my pale white mound, so moist and pink. Then it was no holds barred.

He just screwed me, watching himself grind, then tipping me back and slamming in and out, really putting his arse into it. I just started moaning as he stroked every inch of my pussy, and I slipped a hand in between our bodies, frigging my clit like mad.

He really pounded it home. Driving deeper and deeper with his rock hard prick making me moan with pleasure. I applied more and more pressure to my engorged little clit as I felt my orgasm mounting and then explode, ripping through my body making me buck and thrash beneath him.

I beat him to cumming, but only just. He groaned that he was there and hauled himself up off me, then wanked his wet prick.

His spunk exploded out all over me, but mostly iced my crotch. It felt so warm and tingly on my freshly shaved skin, then he bowed his head and sucked me for the second time, lapping it up – normally once is all I get!

Ant's wallet picture was hornier than we could ever have imagined – it should keep him

happy and behaving himself if he's away from home. Plus, I've promised I'll keep my pussy shaved for the whole of the 12 Days of Christmas. Then I'm growing my bush again until April 1st, when I've promised him another shave fest.

I could just tell him it's an April Fool, but I don't think he'd ever forgive me!

Jenny, Sutton Coldfield.

MORE ON PAGE 38

Take a big slice of love pie Lizzie. The specs-wearing sex demon loves to let her hair down, and lose the bins every Friday night. Like most of us, she has a boring job and can't wait for the weekend. "I saw some of my workmates in a club last Friday. They didn't recognise me out of my boring work clothes and specs. They would have recognised me even less later on when 'boring old Lizzie' was getting two big hard dicks up her at the same time!"

SAM

**Through
the Cakehole**

Queen of tarts Sam Bentley is looking exceedingly good covered in cream and flour. "Who wants to fill my cakehole?" she purrs, smearing another dollop of God-knows-what on to her hairy cake with a sinful smirk that might even make Mary Berry get a wide-on. "I always have fun with food. My current boyfriend likes to fill my knickers with custard then lick my pussy clean. I upended a whole trifle on to his cock once and then fucked him silly. We were still finding hundreds and thousands weeks later!"

RACHEL

Spring is here, and we've certainly got a spring in our step and lead in our pencil. Glad to see it's not just the menfolk who are randy as rabbits and looking forward to warm weather and its attendant lords, camel toe and peanut smuggling. "As soon as the sunny weather started, I was out in my back garden, sunbathing naked," confesses 25-year-old Rachel. "Okay, I admit it was a false alarm doing it in January, but I love getting my tits and bits out. I think my neighbours love it too!"

SPUNK & Shine

After leaving uni my girlfriend Donna and I got a place together. The flat was a bit of a grubby shithole and Donna, being

cleaning. So I yelled through that the bathroom was flooding – that got her there quick enough.

I said the plughole was blocked with gunk – it wasn't – and once again I had her

more house-proud than me, said she'd blitz it while I was out at work one day.

I arrived home to find her still getting stuck in.

She looked horny as fuck

bent over. This time she stayed that way, while I stroked her bum. My fingers edged closer to her slit "I bet this pussy's aching for a fuck. I know my bollocks are," I said. Then I pulled

I SLID MY MEATY TOOL RIGHT UP HER CHUTE

– the fact she was a bit grimy and sweaty just added to the effect! I told her she'd missed a bit of dust down on the skirting board and, as I'd hoped, she bent right over and flaunted her arse as she polished the wood.

I told her I was going to have a shower, hoping she'd join me but, ten minutes later, she was still caught up in the

down the shorts and slid a couple of fingers up her slit. She was all swollen up, like she is just after a fuck or frig, and I knew I wouldn't have my cock in her for long before she came.

Sure enough, she moaned and started to orgasm after just a few strokes. I could have carried on fucking her like that and I'd have been

totally satisfied. But even more tempting was her little pink arsehole.

I grabbed a tube of lube and squirted loads of it on my cock, then on her arse before sliding my fingers up it.

As I fingered her, I said I was going to make her beg, make her really want my dick up her arse. I saw her hand go to her clit, and I moved it out of her way, tormenting her.

When I'm fucking her doggy style, she usually slams back against me when I'm thrusting in. This was more gentle but every bit as powerful, as she tensed up her arse and circled it back against my crotch.

My hand was still covering her clit but as I felt myself get closer to cumming, I started to finger her. I timed it perfectly – I felt a couple of ripples before my spunk

She wanted to play nice. "Please..." she squealed with pleasure as, without any warning, I slid my meaty tool right up her chute

pumped out into her arsehole. Then the spasm of her muscles seemed to wank me the rest of the way off!

Darren, Bristol.

WHOPPER MEAL!

If C.J.'s enormous rack looks good enough to eat, that's because it pretty much is! "I love a man to bury his face between my boobs, lick and chew on my nipples, oil up my orbs and then fuck them till he cums in the middle of them!" the 24-year-old phone shop worker confides in us. "Having big boobs is a blessing – they're like fella magnets, and I love men. Well, one part of them anyway!"

"Bang my!" big boys!

REAL WIFE SEX

Chrissie's story continued from page 19

Every time he leant forward to suck on my tits, it almost bent me double, but his cock felt even more huge inside me. I started moaning – I have very sensitive nipples! – but his only answer was to reach down and give my clit some attention with his fingers.

This had me cumming within seconds, moaning as I held Grant's mouth firm on my tit and felt my snatch convulse around his meat. Then he gave me a big kiss, pulled out and knelt over my body, slapping his prick – wet with my juices – between my fleshy boobs.

The tip was pink and shiny and he let me have a taste – I'd have sucked it longer but he really wanted to screw my boobs. Jeremiah likes that too, and he can lose his cock between them, but they weren't quite big enough to completely engulf Grant's prick.

I'm not easily fazed but it all felt quite overwhelming. I had this big, horny bloke – who, about an hour ago, had been a stranger – ramming in between my tits, which were sensitized from my orgasm. As clear fluid started oozing from his tip, he had me lick him clean but once again I didn't get to suck him properly

as he drilled my cleavage, coming close to the vinegar strokes.

They hit him hard and quick – he just groaned, "Fuck me..." and I shoved my globes around his shaft, rubbing it between them, suddenly losing friction as his spunk shot out

He drilled my cleavage till his spunk shot out in hot wet bursts

in hot, wet bursts.

Not bad for a first fuck, and Grant didn't leave me wanting for anything. I think I impressed him too when I deep-throated his big dick the first time I tried – well, I've had loads of practice on Jeremiah!

And what about Jeremiah? I think he'd been hoping for a female version of Grant, which wasn't what he got – Grant's missus, Sally, was 38, pale-skinned and curvy, not that he was disappointed, by that, especially not once they got going!

We're thinking of going on a holiday as a foursome, and Jeremiah and I want to set up an extreme wife swap contact site, so other people can experience the same thrill we did. Of course, we'd give it a thorough testing ourselves! Would any of your readers be interested in taking part? I promise to be gentle (not!).

ANDREA

When a girl turns up at your office with elbow-length leopard print gloves, you know she isn't the shy and retiring type. Especially as she arrived on the 43 bus. "Darling, you shouldn't hide your light under a bushel," draws Andrea (26). "If you've got it, flaunt it. Now, let's get naked – I'm feeling very horny right now! I love to be open wide for your pleasure!"

Boots & Boobs

Horny high heels – that brought me and Ali together.

One day we were over at hers, showing off our latest finds. I was wearing black leather knee-high boots, fishnets and sussies, and she had on high metallic-gold stilettos, and nothing else.

I get my pleasure out of wearing my shoes, but Ali likes to have hers worshipped. I got on my hands and knees, arse stuck up in the air, and started rubbing my face and tits all over her shoes. She was lying on her back, knees bent, legs parted and I heard a buzzing noise.

Looking up I saw her using

a vibrator on her snatch – a gold one to match her shoes.

Doing my thing got a bit difficult as thrashed around so I slipped off one of her shoes – even her nail varnish was gold! – and started to kiss her foot instead.

As I sucked her big toe I could feel her pounding the toy in and out

of her cunt. My own snatch was burning for a bit of attention too. A bit of wriggling brought us pussy to pussy.

Ali started to squirm against me, grinding and circling. I reached

felt her pussy tense right up then release in waves. I humped my cunt up against her, and let the

down so I could stroke my clit, but spread my cunt lips wider and tighter too. Suddenly, she started cumming – I

juices flow between our holes.

I hadn't yet cum but right now, if I tried to rub her pussy she'd moan and pull away – it was

Muff justice

My one and only lesbian relationship started as a bit of a

joke. Callie, a mate of mine from college, and I were on the bus home after a gig and these two morons were trying to chat us up.

They wouldn't take no for an answer, so Callie said, "You know we're lesbians?"

Then she gave me a really passionate snog and I played along, feeling her up. Obviously I know now that it was probably a turn-on for them, but back then we were pretty innocent!

It shut the bokes up and I got into it so much I didn't want them to get off the bus because then there'd be no excuse to snog my mate!

Worse, though, when we walked home from our stop, she was a bit quiet with me. But as we had a coffee

Hoping I was doing the right thing, I hugged her from behind. She grabbed my hands then placed them on

"Nope, first time," I said. She thought maybe we'd better lick each other, then, and we got ourselves in

her boobs. I fingered her nipples through her top, feeling how stiff they'd already got, then she turned around for another snog.

Up in her bedroom, we undressed – all shy and nervous again – and I just kept staring at her boobs. They were so beautiful, with massive nipples.

The teats really stuck out. I took one in my mouth and when she was well into it, I sneaked my hand into her knickers – a trick the first lad who'd ever fucked me had played. "You ever...?"

overloaded. So I slithered back, massaging her foot in between my boobs. Then I used my hands to start rubbing her pointed big toe up and down my cunt.

It's a toss-up who was moaning the loudest. Ali fucked my pussy with her big toe, and she threw me the vibrator to use on my clit.

I never thought I could cum so hard without a cock or a

few fingers in my hole. But Ali's "toe-job" had me howling for it! I held it inside me so she could feel me cumming too, then let her lick my juices off her own foot – she does yoga so that's easy for her.

Next time she came over she had something new to show me – a double-ended black rubber dildo.

To match, she'd also put on her crotchless rubber knickers, cut tight so her pussy was spilling out of them.

I started out playing with her feet, teasing the bare skin in between her toes.

I was oblivious with concentration, until I felt the rounded end of the dildo bump up against my slit. Even though I was soaking wet

she had to slide it in slowly, working it with her hand, then mounted it herself.

We both took it in so deep our labia brushed together. She handed me a little vibrator, and once I started cumming, I hardly stopped. *Gia, Bath.*

a sixty-nine. I was a little bit sneaky and selfish and went on top – I just love the way it opens your pussy up over their mouth. But I didn't slack off on sucking Callie's. As she tongued me, I moaned into her muff, but suddenly felt like I was on a mission to make her cum.

She resisted, so I got two fingers up her, and used the other hand to stroke her clit in tight little circles. She orgasmed hard – later she told me that it had never felt that intense before.

I had to satisfy myself that time, but after Callie had recovered a bit, she insisted on giving me a long, slow licking. It took ages for me to cum, but it felt like the whole room was shaking.

Our lezzie fling lasted a few weeks, then I met the guy I've ended up living with, so didn't get much chance to experiment after that.

I've been thinking about it the idea of fucking other women. Should I go for it? *Fiona, Hull.*

3D ogles

Since my husband Andrew and I met two years ago we have indulged every possible fantasy. But what happened in reality is even more amazing.

SEREN, LEICS

were pulling at my hair and clothes, and I had no idea who was trying to finger my arse.

I looked up to see a forest of erect cocks surrounding me and they were all being

HANDS CARESSED, PROBED, SQUEEZED ME

It began when my husband and I went to a blue cinema. I was the only woman in there watching hardcore porn.

My husband and I began to cuddle when a man sat next to him and started wanking.

There were two screens going and about thirty blokes in each section, of all ages, sizes and nationalities.

Next I felt an arm brushing against me. A strange man

wanked. Andrew and I moved to a seat towards the back in the corner.

Andrew began to pull down my trousers, several men lending a hand.

Every man was wanking faster and harder. Hands caressed me, probed me, fingers squeezed my nipples.

Andrew slid two, three, then four fingers into my wet cunt. As he finger-fucked me, my

£60

had sat next to me, staring at me and wanking.

I decided I needed to be in control of the situation. I slipped off my top, revealing my bra and lowered my head over Andrew's cock and sucked it until I felt him stiffen in my mouth. I slowly revealed

body began to tingle and tremble uncontrollably as the most incredible orgasm ripped through me. Then the manager came in with a torch.

Everyone flocked back to their seats, trying to hide their cocks. Andrew and I rushed home for an incredible fuck.

Seren, Leicester. **S**
